

MIXER 35

TOP - FOR MORTAR

Mixer continuous | reference : 954001950A

The Mixer 35 is ideal for preparing adhesives, tile glues, joints, adhesive mortars, gypsum plasters, EWI, plaster and finishing coatings in powder form.

The machine can be fitted with a water pump upon request.

Its new mixing chamber is made out from which facilitates cleaning. The flow meter allows you to accurately view the water dosage.
