

SIMPLEX Plus Box Starter Kit • SIMPLEX soft-face mallet D80, rubber composition / superplastic, with cast iron housing as well as one rubber composition insert with "Stand-Up" plus cutter knife

3027s028

Descrierea produsului

This SIMPLEX Plus Box starter kit comprises the SIMPLEX soft-face mallet D80, rubber composition / superplastic as well as one replacement rubber composition insert with "Stand-Up" and one cutter knife.

Offering an insert combination of rubber composition / superplastic, the SIMPLEX series 3027 is an indispensable companion for a large number of applications and Halder's top-selling combination.

Ultra low-wear, impact cushioning and odourless, the medium hard rubber insert (series 3202) offers a much longer service life than a conventional rubber hammer.

The superplastic insert (series 3207) allows for a more powerful impact force than the rubber insert. It is a medium hard plastic insert made of extruded and extremely homogeneous material. Compared to injection moulded plastic inserts, it is therefore considerably more wear-resistant and durable.

This promotional box also contains a replacement rubber composition insert with "Stand-Up" and a cutter knife. Boasting an ingenious shape, the replacement rubber composition insert with "Stand-Up" allows the hammer to stand securely on its head and reduces the need to bend over, making it possible to work in a much more ergonomic and back-friendly manner.

Product features:

Value box comprised of the SIMPLEX soft-face mallet 3027.080 as well as one additional insert plus a cutter knife.

- SIMPLEX soft-face mallet with the insert combination of rubber composition (black, medium hard, impact cushioning, odourless, low-wear) / superplastic (white, medium hard, very durable).
- Further development of HALDER's top seller: The rubber insert with "stand-up" ensures back-friendly working and reduces the need to bend over.
- High-quality, vibration-damping, and ergonomically shaped wooden handle; grip area with double coat of varnish (resistant to dirt).
- Cast iron housing with integrated handle protection sleeve and excellent break resistance.
