MADE IN GERMANY

... and much more ...

oneMIX 340

- Compact, lightweight & mobile – ideal for small construction sites with hard-to-reach areas
- Most compact mixer of its kind and yet maximum performance with powerful 2-speed stirrer with 1800 W output
- With two different paddles that can be adjusted to the material, the oneMIX 340 is extremely versatile and mixes almost any material perfectly
- Large paddles and the combination of stirrer and separate bucket drive ensure short mixing times
- Automatic mixing with timer and three individually adjustable speed levels guarantee constant & optimum mixing results
- High-quality replaceable Collomix mixTUB 34 L bucket with two recessed handles enables flexible and efficient work
- Integrated vacuum cleaner and bucket cover for clean working conditions
- Large puncture-proof solid rubber tires and a comfortable handle ensure easy transport – even up and down stairs
- Pivoting telescopic column with gas pressure spring enables comfortable and back-friendly working
- The combination of edge scraper, paddle and bucket rotation effectively counteracts material residues on the bucket
- Ideal for thin-bed mortar, tile and reinforcing adhesive, putty, mortar and much more.
- A real Mix-Buddy for bricklayers, tilers, plasterers or renovators

included
one
MM

oneMM:
Adhesive/plaster mortar,
cement screed,
tile adhesive,
egalisation filler

optional
one
DLX

oneDLX:
Thin-bed mortar,
self-levelling
compounds
Usable volume: 25 liters

*Rotating bucket & edge
scraper guarantee a clean
result*

MATERIAL

MM

Universal mortar		+
Synthetic resin screed		+
Lightweight masonry mortar		+
Cement plaster		+
Gypsum plaster	+	+
Clay plaster (prebagged material) without fibers		+
Thermal insulation plaster		+
Paving mortar		+
2-component paving grout		+
Tile adhesive		+
Grout		+
Flowing screed	+	
Thin-bed mortar, facing stone adhesive	+	
Adhesive slurry as a plaster base	+	+
Joint sealing compounds		+
2-component sealing slurry	+	
Leveling compounds	+	
2-component epoxy resin-sand mixture, soft		+

TECHNICAL DATA

Bucket capacity:	34 liters
max. useful volume:	25 liters
Motor / mixing tool output:	1.8 kW
Voltage:	230 V/50 Hz
3 digital speed levels:	400, 550, 750 rpm
Bucket speed:	18 min ⁻¹

Weight:	33.2 kg
Dimensions (l x w x h):	600 x 450 x 1070 mm

Article no. oneMIX 340:	37060
Article no. mixing tool oneMM:	70237
Article no. mixing tool oneDLX:	70235

Accessories

Article no. mixTub bucket 34L - TURQUOISE:	60602
Article no. mixTub bucket 34L - LIGHT GRAY:	60601
Article no. mixTub bucket 34L - BLACK:	60600
