FLOW TEC

mixTUB 34 l | 34 l bucket

- » Incredibly robust and high quality
- » Generous sizes and great features
- » Available in 3 colours - each colour has its own advantages:

Item no. 60602
TURQUOISE

Eye-catching brand colours for optimal recognition:
Made by Collomix

Item no. 60600
BLACK

Made from high-quality recycled materials to save resources

Item no. 60601
LIGHT GREY

Discreet: Heats up less, no dark bucket abrasion

Splash-free mixing with enough space for exactly one bag. Scale for displaying the fill level

No cut hands thanks to the wider recessed grips and rounded edges

Solid handles and grips for back-friendly carrying

Sustainable as they are stable and durable

Recess for placing reinforcing bar underneath: bucket does not turn when mixing
