

New design - familiar functionality

Clean your mixing paddles in seconds - for a long service life

Immerse the tool after mixing in the bucket filled with water

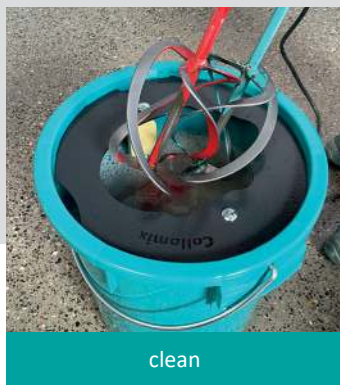

run the mixer for a short time

For cleaning mixing tools quickly and easily. When you have finished your mixing work, immerse the mixing tool in the bucket filled with water and run the mixer for a short time. All residual material will be thoroughly removed by the brushes.

Suitable for all XQ / Xo(R)(duo) mixers

For paddles with diameters of up to 210 mm. Rugged tub with a carrying handle; sturdy metal cover plate with a pair of brushes.
